

MISSION STATEMENT

Our mission is to train and educate individuals who want to become leaders in public policy and want to serve in the public and private sectors.

VISION STATEMENT

We envision a society in which high-level policy decision-makers are more diverse and in which previously disenfranchised groups and communities have more power, as well as more voice, in policy formation and public policy decisions.

VIRGINIA SECRETARY OF EDUCATION, ATIF QARNI
2019 YOUTH PUBLIC SERVICE AWARD RECIPIENTS

2019 ANNUAL REPORT

LETTER TO THE COMMUNITY

Young people have embraced social media to galvanize resources and empower civic engagement and activism. They seek change. But to make significant differences in their communities and society, they need training and education to understand the laws, policies, and programs that affect our communities and the world.

Since our founding in April 2019, Policy Pathways has:

- established effective Board and Committee structures;
- solidified community partners;
- recruited college and university faculty and policy experts as teaching staff;
- mobilized volunteers and donors;
- sponsored over 20 large and small information sessions;
- developed a high school college-prep policy curriculum;
- convened a public policy and advocacy workshop;
- honored policy leaders and outstanding students;
- held its First Annual Fall Celebration and Fundraiser with Virginia Secretary of Education, Atif Qarni, as Keynote Speaker;
- exceeded annual fundraising goal;
- launched the Policy Pathways website; and
- secured administrative office space.

In 2020, Policy Pathways will hold its inaugural session of The Summer Academy for Policy Leadership and Public Service, a two-week residential and commuter program for high school and college students. The Summer Academy will be held on the campus of Virginia Union University. Participants will be exposed to challenging course content and policy-focused projects taught by distinguished professors and seasoned professionals. Summer Academy graduates will have access to professional and career development opportunities as interns and research analysts.

We extend our heartfelt gratitude to everyone who has supported Policy Pathways and its initiatives. As we venture into a new decade, let's continue to work together to prepare young people for leadership in public policy and in the public and private sectors. The world needs to hear their voices!
